

Please do not expand the LPFM service. Doing so will drop my radio station (89.5, AIR 1) from my listening area. This station offers the only family friendly programming in my area. All of my kids listen to AIR 1. It provides clean, uplifting, and very positive programming. I know of many whose lives have been changed by listening to AIR 1. The public interest is wonderfully served by AIR 1, offering hope, faith, and truth to those in need. We've taken God out of just about everything else in this country, please don't continue this trend. WE NEED AIR 1 RADIO !!!!!!!
